

God

How big is your God?

- Our Universe is big –
 much bigger than science can delve
- God is bigger than the Universe –
 He is not contained by it but created it
- God sets what is true, right & good

Human Limitations – Who do you trust?

- Knowledge but not understanding
- Power but not authority
- Fame but not honour
- Image but not wisdom
- Perception but not truth

Godly Virtues

- Truth and understanding
- Righteousness
- Holiness
- Honour

Simple truth

- God is good & just
- God can be trusted
- God does not make mistakes
- God loves you dearly

God is the source of:

- Faith
- Hope
- Love
- Forgiveness
- Grace
